Keensight Capital signs an exclusivity agreement to acquire Dimo Maint, a European leader in CMMS solutions

Lyon, July 17 - Keensight Capital (“Keensight”), one of the leading private equity managers dedicated to pan-European Growth Buyout^[1] investments, today announced that it has signed an exclusivity agreement to acquire a majority stake in Dimo Maint, a European leader in CMMS (Computerized Maintenance Management System) solutions that enable companies to optimize the management of their industrial and facility maintenance operations. This transaction marks a new milestone in Dimo Maint’s development, with the ambition of strengthening its leadership in the global market for SaaS maintenance solutions.

Founded in 2009, and a subsidiary of the Dimo Software group, Dimo Maint has established itself as a key player in CMMS, offering an agile and modular SaaS software suite, meeting the needs of more than 2,500 active customers in 100 countries. With its technological and sector expertise, Dimo Maint supports industrial and service companies across the size spectrum, as well as local authorities, in optimizing the performance and maintenance of their equipment, assets, facilities and infrastructure. Today, the company employs nearly 110 people across 9 offices worldwide: France (3 offices), Germany, United Kingdom, Canada, Ireland, Malaysia and Mexico.

Led by an experienced management team, Dimo Maint is pursuing a sustainably profitable growth strategy. With its global positioning and in-depth expertise, the company will benefit from Keensight’s support to accelerate its international development, both organically and via acquisitions. Keensight will also support the company in strengthening its innovation dynamic, relying on an ambitious R&D strategy, driven by its engineering DNA and technological know-how.

Jean-Paul Genoux, Co-founder and CEO of Dimo Software said: *“This transaction is a fantastic opportunity for Dimo Maint to move to the next level with the support of Keensight. Together, united by a spirit of collaboration and driven by a shared vision, we will strengthen our leadership position. Keensight’s sector expertise and partnership approach are perfectly aligned with our ambition to become a global leader in SaaS maintenance solutions.”*

Guillaume Cornet, Director at Keensight Capital, added: *“We were impressed by the strength of Dimo Maint’s recurring business model, the quality of its SaaS solutions, and its international reach. This transaction perfectly illustrates Keensight’s strategy of partnering with high-growth, profitable technology companies to help them achieve key milestones in their development. We are excited to support its international expansion and contribute to its technological leadership.”*

^[1] **Growth Buyout:** investment in profitable, private companies experiencing strong growth, in minority or majority positions, with or without leverage, using a flexible approach tailored to the needs of individual entrepreneurs, in order to finance organic growth projects, acquisition strategies or provide historic shareholders with liquidity.
